MEMORANDUM FOR: CMO/DD/S&T 25X1A

SUBJECT: Five-Year Career Plan for
25X1A [redacted]

25X1A

1. I nominate [redacted] as an alternate to attend the Midcareer Executive Development Course No. 7 to be held from 12 September through 22 October 1965.

25X1A [redacted] is a GS-14 currently assigned to the Ground Systems Division.

25X1A 2. [redacted] is a graduate electrical engineer, and has had considerable experience in equipment development and in Agency operations. He currently is assigned technical responsibility for special major operations of a highly complex nature. After completion of the Midcareer Course, we would anticipate assignment of [redacted] to a collection activity involving greater responsibility for management of personnel, followed by assignment to the OEL Staff or Airborne Systems Division, with emphasis either on planning or broader technical management.

25X1A

3. It is expected that this development plan will equip [redacted] for eventual assignment as chief of one of our major technical divisions.
